

An impressionistic painting of a winter scene. The foreground is a snowy square filled with a crowd of people in various winter clothing, some appearing to be ice skating. In the middle ground, there are large, multi-story buildings with snow-covered roofs and windows. Bare trees with dark, gnarled branches frame the scene, some with hints of yellow and orange, suggesting a transition to spring. The overall style is expressive and textured, with visible brushstrokes and a muted color palette dominated by whites, yellows, and browns.

# Welcome home sitting!

What do meatballs, Agnetha from ABBA and Billy the bookshelf have in common? SWEDEN obviously! Which also happens to be the theme for the first sitting of the Novice period. Fortunately this welcoming sitting will take place on Valentine's day, so prepare yourself for an evening filled with love for everything we adore about Sweden.

The sitting will also include everything a sitting should; drinks, food, entertainment and singing! Before the sitting you as a Novice will meet your mentors and the rest of your group for a pre-party, and after the sitting we will all head together to the best club in Lund: VG's own METRO!

 When? **14/2 18:00**

 Where? **Västgöta Nation**

The background of the poster is a whimsical illustration of a night sky. A large, glowing yellow crescent moon is in the upper left. Several orange string lights hang from the top. The sky is a mix of purple and blue, with scattered white stars. In the foreground, a large, dark green tree with orange leaves is on the right. At the bottom, a crowd of stylized, colorful figures is seen from behind, watching a movie on a screen. The screen shows a yellow Christmas tree on a red base against a white background with snowflakes. The overall mood is cozy and festive.

# Movie Night!

After three phenomenal events with song and dance we will unwind and cozy up with an evening in front of the movie screen.

Smell the scent of freshly popped popcorn and enjoy a relaxing evening together with your new friends.

 When? **26/2**

 Where? **TBA!**

# Novice party!
